

Ministry Information

What is Praise Kids? Praise Kids is a children's ministry that utilizes music and media, exciting games and relevant Bible teaching to help children develop into well rounded followers of Jesus Christ. The main component of Praise Kids is the children's choir ministry. The children's choirs help develop singing and music along with giving them opportunities to display their talents in front of the church on special occasions and holidays.

Who is Praise Kids for? Praise Kids is for children ages 4-12 or K-4 to 6th grade.

When and where is Praise Kids? Praise Kids meets every Sunday evening during the 6 p.m. service in the Children's Assembly Area in the back of the main building behind the Nursery and Faith Couples Room. Praise Kids starts when they are dismissed from the auditorium during the 6 p.m. service around 6:25 p.m. and concludes when church is over, which is usually around 7 p.m. Praise Kids operates year round but has a summer and winter break. A calendar will be available for the year showing when Praise Kids meets.

How can my child be a part of Praise Kids? Being a part of Praise Kids is simple - just bring your child to our Sunday evening service at 6 p.m. Then after our music segment, an announcement will be made for the Praise Kids to be dismissed to their classrooms. Teacher and or usher escorts will be available to direct children and parents to the proper locations. Once the kids are in their classrooms, their names will be recorded and a permission form will be given to each parent to complete that will finalize registration.
